

## **AMIT BIRENBOIM - CURRICULUM VITAE**

*Head, [Urban Vitality Lab](#)*

### **Personal Details**

Date and Place of Birth: 21<sup>st</sup> April 1980, Israel  
Citizenship: Israeli and German  
Marital Status: Married + 3

### **Higher Education**

2004-2006 The Hebrew University of Jerusalem, Sociology and Geography, Bachelor's degree, *magna cum laude*.  
2007-2009 The Hebrew University of Jerusalem, Geography, Master's Degree, *summa cum laude*. Supervisor: Dr. Noam Shoval.  
2010-2015 The Hebrew University of Jerusalem, Master of Business Administration (MBA), specialization in marketing and urban planning.  
2010-2015 The Hebrew University of Jerusalem, PhD in Geography. Supervisor: Prof. Noam Shoval. Dissertation title: Sensing the City in the Smartphone Age: The Geography of Momentary Urban Experiences.

### **Appointments**

2006-2014 Research Assistant, Department of Geography, The Hebrew University of Jerusalem.  
2007-2015 Teaching Assistant, Department of Geography, The Hebrew University of Jerusalem.  
2015-2017 Post-doctoral researcher, Department of Human Geography and Spatial Planning, Utrecht University.  
2017-2021 Senior Lecturer, The Department of Geography and Human Environment, Tel Aviv University  
2021-2024 Senior Lecturer, The Department of Geography and The Center for Urban Innovation, The Hebrew University of Jerusalem.  
2025- Associate Professor, Senior Lecturer, The Department of Geography and The Center for Urban Innovation, The Hebrew University of Jerusalem.

### **Additional Functions at The Hebrew University of Jerusalem**

2021- Member, academic committee of The International Program in Smart Cities and Urban Informatics  
2022 Member, fellowship committee, the Faculty of Social Sciences  
2022-2023 Advisor, BA program in geoinformatics  
2022- Member, departmental selection committee (representative of the young generation)  
2023- Academic manager, Center for Computational Geography, Department of Geography  
2023- Member, teaching committee, The Institute of Urban and Regional Studies  
2023- Academic director, The International MA Program in Smart Cities and Urban Informatics  
2024- Academic advisor, The MA program in Geoinformatics and Spatial Science

### **Additional Functions at Tel Aviv University**

- 2018-2019 Bachelor's degree advisor, Department of Geography and the Human Environment
- 2018-2021 Member, teaching committee (MA), Department of Environmental Studies
- 2019-2021 Member, teaching committee, Department of Geography and the Human Environment

### **Awards and Honors**

- 2005, 2006 Faculty of Social Sciences Dean's List (Hebrew University)
- 2009 The Arie Shachar Award for excellent work in the field of urban studies (together with Kineret Cohen and Udi Horovitz)
- 2011 The Hebrew University "HaNasi" (President) Scholarship for excellence – four years PhD candidate scholarship
- 2012 Dov Nir Award for outstanding MA thesis.

### **Research Grants**

- 2013-2015 Municipality of Jerusalem – The Daily Experiences and Sense of Security of City Dwellers. 6,000NIS (~US\$1,600) (PI).
- 2019 The Institute for Innovation in Transportation – A New Approach for Modeling Pedestrian Flows in Israeli Cities. 112,000NIS (~US\$32,000) (PI together with Prof. Itzhak Omer).
- 2019-2022 Israel Science Foundation (ISF) – Walking and Walkability in Israeli Cities: Integrating Behavioral and Structural Approaches in Pedestrian Modeling. 390,000NIS (~US\$110,000). (PI together with Prof. Itzhak Omer).
- 2019-2022 European Commission, Horizon2020 – Cities as Mobility Hubs: Tackling Social Exclusion Through 'Smart' Citizen Engagement (SMARTDEST). €230,000/€3,000,000 (PI).
- 2021-2024 European Commission, Horizon2020, Marie Skłodowska-Curie Innovative Training Networks – Systems Approach of Urban Environments and Health (SURREAL) €260,000/€3,900,000 (PI).
- 2022-2023 The Center for Urban Innovation – iSense: The Effect of Urban Environments on Elderly's Spatial Behavior, and Their Physical and Cognitive Function. 120,000NIS (~US\$35,000) (PI).
- 2022-2025 Israel Science Foundation (ISF) – Person-Centered and Configurational Approaches for Studying Walkability and Walking. 525,000NIS (~US\$155,000). (PI together with Prof. Itzhak Omer).
- 2023-2024 Ministry of Environmental Protection – A Roadmap for Creating Strategic Plans for Walkability in Small to Medium-Sized Settlements (up to 40,000 residents) in the Geo-Social Periphery 10,000/70,000NIS (~US\$3,000/US\$20,000 (Collaborator)

15. "Utilizing Augmented Reality (AR) to Study the Impact of Short-Term Environmental Exposure on Momentary Wellbeing." *MoHeaP - Virtual Workshop on Mobility, Health, and Place*, hosted by University of Zurich, Switzerland, June 2021.
16. "Using Virtual Environments to Study Human Behavior and Attitudes." Seminar lecture in LISER, Luxemburg, December 2022. **[INVITED SPEAKER]**
17. "Ethical Considerations in XR-Based Studies." A training session in LISER, Luxemburg, June 2024. **[INVITED SPEAKER]**
18. "Shifts in Behavior and Wellbeing in Digitally-Enhanced Urban Environments." A seminar lecture in New York University (NYU). **[INVITED SPEAKER]**

#### **Academic Visits to Institutions Abroad**

Universitat Rovira i Virgili, School of Tourism and Leisure (EUTO), Vila Seca, Spain. 2008 (for four months).

Hong Kong Polytechnic University, School of Hotel & Tourism Management, Hong Kong. 2009, 2010 (one month in total).

Breda University for Applied Science, Academy for Leisure & Events, The Netherlands. July 2022.

#### **Courses Taught**

1. Health, Place and Society (course number: 40258, 2021, The Hebrew University of Jerusalem).
2. Urban and Environmental Issues in Tourism (course number: 40752, 2021-, The Hebrew University of Jerusalem).
3. A Workshop in Urban Analytics (course number: 40259, 2021-, The Hebrew University of Jerusalem).
4. Project: Technologies for Managing the Smart City (course number: 01536, 2021-, The Hebrew University of Jerusalem).
5. Advanced Location Tracking Technologies (course number: 0349-4354-01, 2017-2020, Tel Aviv University).
6. Geography of Tourism and Recreation (course number: 0349-2287-01, 2017-2020, Tel Aviv University).
7. Health, Place, and Society (course number: 0349-2134-01, 2017-2020, Tel Aviv University).
8. Geographical Thought and Methodology (course number: 0349-4699-01, 2017-2020, Tel Aviv University).

9. A Workshop in Urban Analytics (course number: 0349-4865-01, 2017-2020, Tel Aviv University).
10. Qualitative Methodologies (course number: 0349-2400-01, 2018-2020, Tel Aviv University).
11. Regional and Metropolitan Planning (course number: 0349-4235-01, 2018, Tel Aviv University).
12. Implementation of Advanced Tracking Technologies in Geographic Research (course number: 40836, 2015, The Hebrew University of Jerusalem).

### **Other Scientific Activities**

#### **Organization and Chairing of Conferences, Workshops and Special Tracks**

1. Organization of a special track (5 sessions, 22 lectures) on “Mobility and Transportation” – The Annual Meeting of the Israeli Geographical Association, December 2019, Haifa, Israel.
2. Organization of an online symposium on “Health Promoting Cities” as part of the Israeli Geographical Association series of symposiums, April 2020. ([link](#))
3. Cochair and organizer of an international workshop on “Urban Innovation Through Walkability and Spatial Cognition”. Funded by the Israel Science Foundation and the Jerusalem Center for Urban Innovation 90,000NIS (~25,000USD). September 2022, Tel Aviv and Jerusalem. ([link](#))

#### **Scientific Conference Committee Member**

1. Founding committee of the Israeli Urban Research Community and the organizing committee of the 1<sup>st</sup> conference of the community, October 2021, Tel Aviv.
2. Organizing committee of The Annual Meeting of the Israeli Geographical Association, 2022.
3. Program committee of The 2<sup>nd</sup> Ramon GeoInt360, December 2023, Tel Aviv.

#### **Editorial Board**

- 2020- Consumer Behavior in Tourism and Hospitality  
 2021- Annals of Tourism Research Empirical Insights

#### **Guest Editorship**

1. Data, Special Issue on “Geospatial Data” (together with Jamal Jokar Arsanjani, Marco Helbich and Amin Tayyebi). Published during 2017. ([link](#))
2. Computers, Environment and Urban Systems, Special Issue on “Advances in Portable Sensing Methodologies for Urban Environments: Understanding Cities from a Mobility Perspective” (together with Marco Helbich and Mei-Po Kwan). Published during 2021. ([link](#))
3. International Journal of Environmental Research and Public Health, Special Issue on “Experiencing the City: The Relation between Urban Design and People’s Wellbeing” (together with Pauline Van den Berg, Gamze Dane and Bernd Resch). ([link](#))
4. Annals of Tourism Research Empirical Insights, Curated collection on “Managing Tourist Mobilities” (together with Anne Hardy and Oscar Vorobjovas-Pinta). ([link](#))
5. Health & Place, Special Issue on “Advances in Urban Health Research” (together with Frank van Lenthe). In progress.

#### **Supervision of Master’s Theses (Utrecht University)**

Eilis Garvey (2016), Anje Koop (2016), Yu-Ping TUNG (Wendy) (2016)

## **Supervision of Research Students and Postdoctoral Researchers**

### MA students

Michal Farkash (2018-2021) – Identifying Alternative Walking Routes as an Environmental Solution for Tourism Carrying Capacity Problems of Cities (Together with Prof. Aliza Fleischer).

Almog Shair (2023-2024) – The Underlying Determinants of Tourists' Dispersal at the National and City Scales.

Lihi Yalin (2021- ) – The Effect of the Environment on Creativity and Wellbeing: An AR Investigation.

Queenie Ng (2022- ) – The Effect of Biophilic Design on Aggressive Behavior and Moral Decisions.

Rachel Shane (2024- ) – Green Exercise Performance: An Investigation Through Mixed Reality Technology

Noam Gal (2024- ) – Digital and Physical Spaces Fragmentation and their impact on Wellbeing

### PhD students

Rebecca Shlisselberg (2020-2021) – Using Motility Measures to Promote Eudemonic Well-being in Transport Policies (formerly a student of the late Prof. Moshe Givoni). Tel Aviv University.

Andrea Montanari (2021-2025) – Sleep in the Urban Environment: Innovations in Sensor-Based Methods to Investigate the Environmental and Behavioral Determinants of Sleep. Sorbonne University (co-supervisor, together with Prof. Basile Chaix).

Amnon Franco (2019- ) – Mobility in Physical and Virtual Spaces and its Impact on Place Making Processes Among Children.

Li Min (Alex) Wang (2021- ) – The Identification, Development, and Testing of Sensor-Based Technologies for the Purpose of Assessing Individuals' Environmental Exposures, Activity, and Mobility and the Resulting Health Outcomes (Together with Prof. Basile Chaix).

Michal Zuckerman Farkash (2021- ) – Mobility Patterns of Deprived Populations in Cities. Recipient of HUJI's President scholarship.

Mohammadreza Aghanejadahmadchali (2023- ) – Geographic Environments, Daily Activities and Stress. The Luxembourg Institute of Socio-Economic Research (LISER) (co-supervisor, together with Dr. Camille Perchoux).

### Postdoctoral Researchers

Jonatan Almagor (2021-2023)

Lihi Golan (2022)

## **Service in Academic and Research Institutes and Organizations**

2019-2021 Secretary of the Israeli Geographical Association (IGA)

### **Grants Committees**

2018 Tel Aviv University and The Triangle Research and Development Center research grants.
